POWER OF A GIRL

# Digital Generation Our Generation

An International Day of the Girl Child event designed to bring together Junior and Senior high school girls between the ages of 15-20 to learn and connect with each other.

ABOUT

# Power to Girls Foundation

Power to Girls Foundation is an International NGO that empowers and provides opportunities for marginalized girls to improve their overall wellbeing through programs, mentorship, and access to resources.

Our mission is for every marginalized girl to understand that she has the power to be whatever she wants to be, despite all the obstacles in her way.

2023

ABOUT

# Power of a Girl Conference

Under the theme Power of a Girl: Digital Generation Our Generation the Power of a Girl Conference will bring together 1000 girls between the ages of 15 and 20 from Ghana's junior and senior high schools.

The conferences' purpose is to engage attendees in educational sessions and panel discussions while also introducing them to mentors who come from a variety of sectors and experiences.
